

SUPPORT

We are a group of 10 people.

We want to support you during the parade.

We support you:

If you don't feel well during the parade.

You can recognize us:

We wear green net- t-shirts.

We are next to the trucks during the parade

We are in front of the stage after the parade.

We are at the chill-room.

We are here for you when you need support.

That's how we can support you:

- We listen to you.
- We help you if something has happened.
- We can go somewhere else together.
- We can be at the chill-room together.
- We talk to the person who bothered you.
Who made you feel bad.

We help you:

- When someone bothers or harrasses you.
- When something is too much for you.
- When you need rest.
- Or when you want to talk to someone.
- When someone stares at you.
- When someone touches you. And you don't want that.
- When you're scared.
- Or when you can't be alone.

There are a lot of very different people at the parade.
We have all made different experiences.

We want everyone to feel safe at the parade.

We all have to take care of that.

That's why it's important:

- To listen to what others tell you.

For example:

“You hurt me.”

Or: “What you do bothers me.”

- To support each other.

For example:

Help if someone needs help.

It's important:

To pay attention to what the person wants.

And what they don't want.

Please ask people before **taking pictures** of them.

We don't want any **national flags**.

We don't want any **banners of political parties**.

This is what we want: To show our beauty.

We are all alright.

Just as we are.

No matter where we
come from.

Have fun!
